“California Master Trust Launches New Website & On-Line Trust Account Access”

The Board of Directors of the Funeral Directors Service Corporation, a division of the California Funeral Directors Association is pleased to announce the development of the new California Master Trust Website. The site can be viewed at WWW.CALIFORNIAMASTERTRUST.COM

The new website provides information for consumers who desire to learn more about prearranging and pre-funding funeral and cremation services. The site also allows funeral homes who participate in the California Master Trust Program to access individual client Trust accounts on-line. Additionally, the site provides web-links to the California Funeral Directors Association (CFDA) and the California Electronic Death Registration System (EDRS).

For more information about the new California Master Trust website or any services provided FDSC please call the CMT office at 800-322-4268
